

MUSTAPHA ABDULBASIT OLAMIDE

Frontend Developer | React | TypeScript | UI Frameworks | Performance Optimization

+234 814 289 0938 abdulbasitmustapha1@gmail.com https://github.com/Candid001 Nigeria

SUMMARY

As a skilled Frontend Developer, I specialize in React and TypeScript, with a passion for modern UI frameworks like Tailwind and Bootstrap. My expertise lies in creating responsive, user-friendly web interfaces that prioritize performance and accessibility. I thrive on collaboration and continuous learning, continuously seeking to enhance my skills and contribute effectively to projects
